**DURATION WINDOWS**

Supplying high quality aluminium products since 1985

## The Premium Plus Window

Durations Premium Plus aluminium windows are a modern, slim and secure window system that meets the specifications of an 'A' Rating in energy efficiency. BFRC certified Premium Plus aluminium windows are beautiful looking, high performance aluminium windows that have achieved and been certified to have an 'A' rating in energy efficiency from BFRC. It has done so as a DOUBLE glazed window. You will get a good return on the extra cost of this GREEN environmentally friendly window as it could save you up to 10% on your heating bills.

You can upgrade your 'A' rated windows to have our Chelton sash and Chelton® handles and Chelton Secure™ locking system. The Chelton vent is simulated to have an 'A' rating by using triple glazed units, or it is 'B' rated with double glazed units.

The Chelton® handle range is a range of handles to suit any home. This includes the modern Chelton® Slim-line handle, a discreet handle with anti-ligature features.

### Features

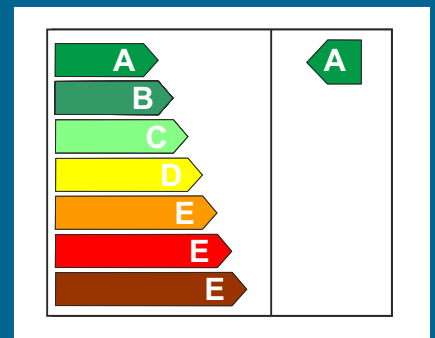

- Conventional colour range, or any single or dual RAL colour.
- Meets the specifications for an 'A' Rating in energy efficiency.
- Espag handles and shootbolt locking. Upgrade to Chelton handle and Chelton Secure™ locking.
- Comes with sash jammers, to complete the all round locking.
- Superior polyamide thermally broken aluminium profiles.
- Top of the range glass units - double glazed or triple glazed (Chelton Sash) with U-values as low as 1.3.
- Slim-line profiles achieved using the natural strength of aluminium - to give maximum glass area.
- Standard Friction, Egress or Restrictor hinges.
- High weather performance, exceeds current and October 2010 building regulations for New build as well as replacement and refurbishment projects.
- Internally glazed for ease of installation and added security.
- Trickle vents available in 20mm head extension.
- Direct fix frames 70mm depth of frame. Equal leg and Odd leg 58mm depth of frame.
- Secure night vent facility.
- Suitable for domestic and commercial applications.

### Colours and Finishing Touches

Windows can be supplied in any of over 200 single or dual (one colour inside and another out) RAL colour polyester powder coated finishes.
